## Purpose of the Fine Arts Festival

Indian Prairie District 204 prides itself on its high quality arts programs and overall support of the Arts. The Fine Arts Festival is an incredible opportunity to showcase all aspects of our Fine Arts program from grades K-12. Concerts and displays make for an exciting day reinforcing the benefit of arts education. This year, our musicians combine with students from Crone, Gregory, Scullen, and Neuqua. Family and friends are invited not only to attend the concerts, but also to take time and enjoy the displays of student work throughout Neuqua Valley. Students receive up to 100 points toward their 4<sup>th</sup> quarter grade for these fantastic collaborative performances.

We look forward to seeing everyone at Neuqua Valley on Saturday, May 18<sup>th</sup>!
