

A "FUNWAY" to end the year!

We are quickly approaching the end of an exciting, rewarding and educational year in the Gregory Middle School Music Department. A tradition we have is a special end-of-the year activity: The Music Celebration at Funway. There are a variety of activities that everyone will enjoy! While we would love for every music student to attend, this is an optional activity. We are also unable to issue refunds once payment is made.

The cost is \$20 per student (includes two slices of cheese pizza, a 12oz pop, bus transportation and a \$10 game card for use at Funway). Students should bring additional spending money for any a la carte snacks and if they would like to add more money to their game card. In-line skate rental is an additional \$2.50 paid at Funway or you may bring your own skates. For the costs of some other activities, please see their website at funway.com. An appropriate amount of extra cash to bring is \$10-\$20. Students may bring small drawstring bags if they would like to have any extra snacks.

FUNWAY INFORMATION - Keep this top portion for your reference.

Student Name: _____ will attend the Music Celebration at Funway, on May 15, 2019.

I understand that my child will travel to and from Funway by school bus. I have enclosed this slip and a \$20.00 check (or cash) in an envelope (do not staple). Checks are non-refundable and payable to "Gregory Middle School." Please write your phone number and your child's name on the check. I will be sure my child has transportation home from Gregory at 8:15 p.m. The main entrance (circle drive) is for buses only. Please park in the lot/neighborhood and carpool if possible.
